

EPSON® Professional Media

Cold Press Bright

Professional photographers and artists require archival media with a white point and contrast ratio that meet the demanding requirements of their work without sacrificing the look and feel of a true fine art paper. EPSON Cold Press Bright is an acid-free, 100% cotton paper that enables rich, deep blacks and an incredibly wide color gamut. The cold press manufacture of this media provides an elegantly textured finish that is optimized for the EPSON Ultrachrome® Ink family. Offered in a variety of sizes, this fine art paper is free of acid, lignin and chlorine.

Signature Worthy paper has been developed and tested at the highest levels to work in concert with Epson's industry-leading professional printers and inks. The most demanding creative professionals use Signature Worthy papers because their reputations are on the line with every print.

Features/Benefits

- 100% cotton fiber
- 21 mil thick (sheet) / 19 mil thick (roll)
- Acid and lignin free, pH buffered
