

EPSON® Professional Media

# Exhibition Fiber Paper

Combining the artistry of traditional photography with the ease and control of digital output, this unique media offers the same deep blacks, subtle tonal gradations and long-lasting results as the darkroom papers of old. Its fiber base has a rich surface, a continuous tone and soft gloss that are ideal for creating stunning color or neutral black-and-white prints that retain the look and feel of traditional fiber paper.

Signature Worthy paper has been developed and tested at the highest levels to work in concert with Epson's industry-leading professional printers and inks. The most demanding creative professionals use Signature Worthy papers because their reputations are on the line with every print.
