Go big or go small

HP DesignJet T850 and XT950 large format printers

What you get when you upgrade your plotter

Introducing
the HP DesignJet T850 and XT950 plotters

Roll or sheet, half size or D Size, in the office or out — the new portfolio of HP DesignJet large format printers print multiple sizes on a single printer that automatically recognizes which media to use for which page. Give your team a whole new way to print.

The world's easiest D Size and half size printing experience[1]
Quality prints, multiple sizes, one plotter—one click is all you need to switch formats.

NEW D Size and half size printing on a single plotter Use the integrated input tray to easily print small formats without using a separate printer.	**NEW** Consistent fine-line detail and vivid colors Create high-quality prints—from CAD to renders—with HP Flex Tech Inks.	Fewer ink interventions Avoid distractions with long-lasting 130/300 ml cartridges.

Keep your team connected
Work and print securely from virtually anywhere. HP software streamlines job submission and connects you to your printer from your phone or tablet.

Save time Print in fewer steps and avoid reprinting with HP Click.	**NEW** Stay protected Resilient HP Wolf Pro Security helps keep your printer—and your work—secure.	**NEW** Work from virtually anywhere Connect and print from any mobile device or desktop on the go with the HP app.[2]

Meet office and environmental needs
Advance your organization's environmental goals.

IMPROVED Recycled content and recycling programs Made with at least 35% recycled plastics.[3] Recycle supplies for free with the HP Planet Partners program.[4]	Invest in the future Choose a robust, compact plotter designed to last.	**NEW** Get more out of your printing budget Reduce energy and ink waste with automatic on/off power scheduling and efficient ink maintenance routines.

HP DesignJet
XT950 Plotter series

Boost your team's productivity even more with the HP DesignJet XT950 plotter. Users can collect their jobs quickly and easily with a stacker that holds up to 40 pages in a flat position.[5]
The sheet organizer helps keep your D size pages, XT950, 120 D size pages per hour and includes a 300 ft roll for enhanced efficiency.

The world's most efficient half size to D size printing experience[6]
Save time, do more

NEW Stay organized Seamlessly print D size jobs with integrated input and output trays that keep pages sorted by size.	**NEW** Collect work easily Pick up your jobs quickly with a stacker that holds up to 40 pages flat.[5]	**NEW** HIgh capacity, high quality Move projects forward with fast print speeds, 300 ft roll, and high-quality HP Flex Tech Ink cartridges.

Multi function
printers

The HP DesignJet T850 and XT950 plotter series also include multifunction versions of each model that add scanning and copying capabilities to your large format printer.

NEW Personalize your workflow Simplify your day with one-click shortcuts for scanning and copying.	Share work with your team Collaborate with colleagues anywhere with the front-loading scanner.

Notices and disclaimers

1. Based on test results using HP Click with the HP DesignJet T850 and XT950. This solution enables printing in fewer steps compared to main competitor printing solutions. Printing a 5-page mixed job set with A1 and A3 takes 3 steps using HP Click vs. 12 steps with Competitor A and 8 steps with Competitor B. Testing performed by Sogeti, April 2023. Detailed test report is available upon request.

2. Requires HP app download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. List of supported operating systems available in app stores.

3. Declared %RCP is based on the quantity and weight of parts made with RCP and RCP resin over the total plastic parts. HP DesignJet T850 and XT950 plotters are made with at least 40% RCP. HP DesignJet T850 MFP and XT950 MFP are made with at least 35% RCP.

4. Program availability varies. See hp.com/go/recycle

5. Based on test results using A1 size, plain paper, and standard configuration. Stacking capacity is subject to paper type, printed file, and ambient conditions.

6. The HP DesignJet XT950 is faster than its main competitors: 44% faster than competitor A and 46% faster than competitor B in end-to-end performance, including job preparation with printing software, processing, printing, and collection. Testing performed by Sogeti, April 2023. Detailed test report is available upon request.
